A Masonic Moment ON THE LEVEL

To a Freemason on the level means just that – All Freemasons are Brothers who meet on the same level, regardless of their social or economic status outside the lodge. Princes, Presidents, and Leaders of business are no better or more important than bus drivers, plumbers and paper boys when they sit in the lodge together.

Freemasonry does not detract from a man's accomplishments, nor does it exalt him above his Brethren because of his position outside the lodge.
