Motion: That Lodge Devotion allocate \$1500 from its funds to assist with the education of some deserving students at Collingwood Secondary College and that the Lodge apply to the Board of Benevolence to contribute to the money allocated by the lodge.

One third of the money to be used for scholarships to be shared by a deserving girl and boy in Year 8 for their Year 9 studies at Collingwood Secondary College and the remaining two thirds to assist other students at Collingwood Secondary College who would miss out on activities or projects that require financial contribution from the student's family that they to meet.

**For the smooth running of the lodge, it would be appreciated if outstanding accounts (if any) could be settled promptly, please.**
