

# Innovation Award Best Practice Awards 2016

(Sponsored by Chryso UK)

## Guidance for Submissions

The deadline for submissions is **Friday 19<sup>th</sup> February 2016**

### Criteria

The aim of this award scheme is to reward excellence within the British Precast membership and to publicise Innovation in the industry.

Topics might include:

- Manufacturing process innovation
- Product innovation
- Resource efficiency
- Innovation in marketing
- Service delivery
- Performance improvements and efficiency
- Procurement process
- Logistics
- Innovation in project design and/or construction techniques

*This list is not exhaustive. Please note that for full members, projects relating to sustainability and health and safety should be submitted to the Sustainability Awards and Health and Safety Award Scheme.*

**PLEASE NOTE:** Any number of entries may be submitted from a company or site.

### Entries should comprise the following:

- A completed entry form.
- An executive summary that provides an accurate representation of the project that can be used after the awards as a basis for promotional purposes. This must be a maximum of 200 words
- All entries shall be supported by appropriate photographs or illustrations. These shall be saved separately as JPEG files and should be of 300dpi resolution or above.
- The entry form must be signed by a director of the company and be accompanied by a CD containing soft copy (ies) of the entry.

## General Conditions

- 1) Entries may be submitted by any of the parties listed on the entry form.
- 2) Any or all of the Judges must be allowed access to any project submitted to enable them to inspect it prior to recommending it for an award.
- 3) The Judges will have the right to reject any entry for which the documentation does not in the opinion of the Judges comply with the above details.
- 4) All materials submitted in connection with entries shall become the property of British Precast.
- 5) British Precast reserves the right, without the payment of fees or royalties, to make whatever use it may consider desirable of all material submitted in connection with the entries, including the publication of photographs and names, and to select from the entries at its own discretion material for exhibition or publication, irrespective of the results of the award.
- 6) The decision of the Judges shall be binding on all persons. The discretion of the Judges to make or withhold an award or awards is absolute. No form of discussion or correspondence relating to any decisions will be entered into by the Judges.
- 7) The Judges may make no awards if suitably outstanding entries are not submitted.
- 8) By submitting an entry for this award, the party making the submission hereby warrants to the Judges and to British Precast that it owns the copyright to all of the plans, photographs and other images submitted, or has obtained the copyright owner's consent to the submission, and the potential use of them as outlined in the paragraphs above, and the party making the submission hereby indemnifies British Precast and the Judges against any liability that may arise out of the submission to, or use by, British Precast of any such plans, photographs or other images, howsoever arising.

One Entry form for each distinct entry in soft copy (i.e on a CD or through email) and supporting documents, with High Resolution Images where used to arrive at British Precast by:

Friday 19<sup>th</sup> February 2016 to:
