## "NOTICE TO ALL FREEMASONS, FROM FREEMASONS OF ENGLAND

Fraternal Greetings to all recipients:

Please excuse this unsolicited and rather long general notice by e-mail, but we wish to bring to your attention a matter of the utmost importance to all Freemasons and our Masonic Charities Globally. After you have read this letter, we hope you will appreciate and understand that our message contains very valuable information, for you personally, and your family and friends, and especially for the Masonic Charities.

Fidelity 500 For Freemasons is a worldwide effort **initiated by Freemasons, for the benefit of all Freemasons of Grand Lodges and Masonic Lodges**, and for the benefit of our Masonic Charities Globally. You can visit the official website for Fidelity 500 For Freemasons to read the full details when you click here, [www.freemasons500.webs.com](http://www.freemasons500.webs.com), and below is a brief explanation of this opportunity.

"Fidelity500" is the brand name for a €100 Million Euros offshore Private Corporate Investment Bond issue, with a 12 year successful trading history to rely upon. Fully supported by Fidelity 500 Corporation corporate assets with a value of \$8,599,901,088 US (approximately 6.5 Billion Euros), these corporate bonds if rated by Standard & Poors | Moody | Fitch | A.M.Best | could be considered to rank minimum "A+".

**A REGULAR CASH INCOME FOR YOU OF 2% PER MONTH – EVERY MONTH.** Freemasons, their families and their friends who invest in "Fidelity500", will receive a capital and profits guaranteed and fully insurance protected minimum regular income of 2% per month – every month – with instant access to their money 24/7 in real time, wherever you are in the world. The minimum investment term is 1 year, with no maximum term. There has never been a safer investment.

### **THIS IS NOT A BUSINESS PROPOSITION ALL PROCEEDS ARE FOR THE MASONIC CHARITIES**

**OUR MASONIC CHARITIES.** The main reason for this bond issue is for Fidelity 500 For Freemasons to raise money for the Masonic Charities, through its own resources. If all the bonds in this issue are purchased by Freemasons, families and friends worldwide, total **donations to our Masonic Charities** from this bond issue would be up to **€10 Million Euros**, to be divided between the Masonic Charities in all participating countries, at no cost to you, **and you collect 2% per month as a regular cash income** on your investment.

**12 YEARS OF SUCCESS TO RELY UPON.** "Fidelity500" relies on a successful 12 year history of investing funds. This is part of a €100,000,000 Euros insurance protected bond issue, and you can invest a minimum of only €500 Euros and in bond units of €500 Euros each, with no maximum investment limit. Full details and terms and conditions are available at our official website, [www.freemasons500.webs.com](http://www.freemasons500.webs.com)

**NO LOSSES ARE ACCEPTABLE.** There are a great many schemes offering the promise of huge dividends, and millions of people around the world invest in them, but these seldom come with guarantees of any kind and most are constantly accompanied by product disclaimers such as, *"the value of your investment can go down as well as up"*, or *"all of your capital can be lost"*. You may be able to afford to take the occasional loss, and you may consider those losses acceptable in relation to your potential gains at other times, but **we do not allow you to make losses at any time**, guaranteed by assets and minimum "A" rated insurance.

**YOUR SECURITY.** The unique advantage for Freemasons, your family and friends investing in "Fidelity500", is that **our Fund Managers are Freemasons who observe the Masonic Code** at all times and honour **Masonic Values and Commitments**, so after you have received your 2% cash profit

every month, fully guaranteed by assets and insurance, our **Freemason Fund Managers** will donate all the remaining profits from these bond sales exclusively to Masonic charities.

**TOTAL DONATIONS TO MASONIC CHARITIES GLOBALLY** from this €100 Million Euros bond issue alone, will be up to €10 Million Euros, and subject to demand, we have been authorized to launch 4 similar issues annually in the future. That is **€40 Million Euros annually, exclusively for our Masonic Charities.**

**ONE CLICK WILL MAKE A WORLD OF DIFFERENCE.** We do not have the human resources to contact every Freemason in the world, but if you would please e-mail this message today to all Freemasons, families, friends and lodges throughout the world for whom you have addresses, and if the recipients of your e-mails would also do the same, we feel sure that the message will reach the majority, and surely with such a worthwhile cause, everyone will be pleased to help.

**FAITH, HOPE AND CHARITY.** This is a unique opportunity for you, by **Faith** in your fellow Freemasons, to help us to bring **Hope** to a great many people right now who will benefit from this Masonic **Charity** initiative, at absolutely no cost to you, and of course, by sending this message today to all those in your e-mail address book, you will at the same time be assisting all your contacts to gain a fully guaranteed, much higher than normal, regular 2% every month income too.

Please visit [www.freemasons500.webs.com](http://www.freemasons500.webs.com) today to read the full details about this wonderful opportunity, and to download the application form.

Yours fraternally,  
John Parker (Freemason of Grand Lodge, England)
