

# Enjoy some well-deserved “Me-Time” with Creative Juice Art!

Relax and discover your inner artist with a painting class in a fun, casual environment and let your creative juice flow! No art experience needed! So grab some friends or just come solo. Creative Juice Art will guide the participants in a painting class after our Ladies’ Luncheon. Choose a painting and enjoy a fun-filled afternoon full of good music and great company!

Our class will cost \$25 and includes your 8 x 10 canvas, and all the brushes, paints and instruction you’ll need for the event. The class will run about 1 ½ hours and doors open a few minutes after our luncheon. The staff will set up, prepare work stations, and clean up! We just relax and follow our instructor’s step by step instructions to complete your own masterpiece. If you are a confident artist, you have complete artistic freedom if you wish to do your own thing.

Wear comfortable and casual clothes that you can paint in. Creative Juice Art provides aprons but don’t wear your favorite outfit, just in case!
