## CHILD ID COMMITTEE PROGRAM 2015-2016

My Brothers:

Congratulations on your appointment and I wish you the best for a very successful and enjoyable year. The Grand Lodge of Free and Accepted Masons of the State of Florida initiated the Florida Masonic Child ID Program in 1997. During the preceding eighteen (18) years, Masonic Lodges throughout the State of Florida have provided FREE of charge child identification kits to hundreds of thousands of families.

The Florida Masonic Child ID Program has exemplary volunteers. It is focused on prevention, provides a kit that enables parents/guardians with the capability to quickly distribute digital information, promotes education for parents and children, and is FREE. The program equips law enforcement with vital information to assist their efforts when searching for a missing person. It contains up-to-date quality photos, medical information, physical characteristics, and contact information. The digital fingerprints can be used to help locate a missing person in a variety of ways including licensing, registrations, certifications, employment, law enforcement, and volunteering at a church or school.

The 2015 goals for the Florida Masonic Child ID Program are:

1. 100% District Participation
2. Standardization of the Program
3. Affordability for Every Lodge/District
4. Superior Product

A Child ID event is one of the most important and useful public relations activities available to the Fraternity. Events educate the public about the Fraternity's commitment to charity. They display community involvement, set the Craft to work, and are the beginning for the membership process. At a Child ID event, professionals, young adults, and their families witness Masonry and can learn about the Fraternity through a learned Brother who can talk comfortably with others.

In 2015, the Florida Masonic Child ID established the Facebook-site "Florida Masonic Child ID Program," and created the website [www.flmasonicchild.org](http://www.flmasonicchild.org). These sites have the potential to expand the program by increased exposure with the public and organizations that are committed to child safety. Participation from the Zone and District Committeemen is required for these sites to be successful. Success can be measured through increased participation from a civic, church, school, or other organization. It can be measured financially with the receipt of a grant or other financial assistance. It can be measured a success to a Lodge by assisting with increased membership. Private sites were also created to enable the District and Zone Committeemen the ability to share information. Please note rules have been established that govern the contents of the sites.

We need to continue our fundraising as it is important to the growth and quality of the program. In addition, last year's Committeemen were successful in identifying suppliers of quality refurbished equipment that can be of great assistance to a Lodge or District starting a Child ID Program.

Our Brothers, their families, and friends continue to donate their time and resources, making the Florida Masonic Child ID Program a Hallmark. Lodges and Districts support each other and welcome assisting with new Child ID Programs.

I want to thank R.:W.: Steven P. Boring for the opportunity to serve him and our Fraternity as the 2015 State Chairman. I thank the Zone Chairmen, District Chairmen, and Volunteers for their support and dedication.

Sincerely and fraternally,

R.:W.: Kenneth E. Shaw, P.D.D.G.M.

## COMMITTEE ON WORK PROGRAM 2015-2016

To: District Deputy Grand Masters  
Zone Chairmen, Committee on Work  
District Instructors  
Worshipful Masters of the Particular Lodges

Congratulations Brethren on your appointment this year. It is always an honor to be offered an appointment and asked to serve our Grand Master and the Craft, and I am proud that each member of the Committee on Work was found worthy of this important task. The Committee will be meeting prior to Grand Lodge and working very diligently to put together a program that will help improve the Ritual Work of the various Lodges throughout this great state.

As the State Chairman, I am committed to including each and every member of this Committee in everything that we do. With the support of our Grand Master, we will discuss everything that is on our agenda for the coming year and make recommendations as proposed and voted by the Committee. We will work with the Grand Master to make this year as rewarding and as enjoyable as we possibly can. With that in mind, you will see that some of the items listed below have not been discussed by the Committee and therefore have not been decided.

**Zone Chairmen:** The Zone Chairmen have each been selected for their past experience and the recommendations of Brothers from their Districts and Zones, and I am very proud to be able to work with them. They will be required to establish basic goals for each District Instructor in their Zone, and then to evaluate them in periodic reports to the State Chairman. Each Zone Chairman will be responsible for overseeing the "Open Books School of Instruction" that are held within his Zone, and will request permission from the Grand Master or State Chairman for each of these. He will recommend to the Grand Master particular members to be the Primary or Secondary Designee to assist with the responsibility of opening the safes in his Zone. These Zone Chairmen will communicate with the District Instructors from their Zones, and will be their primary source of information regarding instructions and for the answers to any Ritual questions that may arise. It is imperative that each Zone Chairman study the work and ensure that only the adopted Forms and Ceremonies are being taught.

**District Instructors:** The honor of being asked to serve as a District Instructor should never be taken lightly. There are few Brothers who possess the qualifications that are necessary to be considered for this honor, and many of these Brothers are asked to serve more than just one year. This group of Brothers is selected by the Grand Master, but will be supervised by the Committee on Work. Each District Instructor should develop a relationship with every Lodge in his District, as well as with his Zone Chairman. It is his responsibility to gain the confidence of the various Lodge Officers in order to assist with the Ritual Instructions, and to only teach the adopted Forms and Ceremonies. The main goal of every District Instructor should be to improve the Ritual Work of each and every Lodge in his District.

**Training:** Every member of the Committee on Work and each of the District Instructors will be requested to attend a full day of Ritual Instruction that will be held in or near Ocala during the month of June. This day long training session will include the process for Open Books, exemplifying each of the Three Degrees, balloting, the Reception of the District Deputy Grand Master, basic Ritual for Lodge Meetings, and any other items that the Committee may deem worthy. Questions will be welcomed and many of the attendees will be asked to participate. The Committee will also meet with the incoming District

Instructors some time during the Grand Lodge Session in order to discuss the required reports and hand out any supplies for the upcoming year.

**Schools of Instruction:** At this time we have twenty-seven Districts that maintain a safe containing the Esoteric Work. Each Zone Chairman will select Primary and Secondary Designees to assist him with the responsibility of properly opening these books in the Districts within his Zone. These designees will represent the Zone Chairman as requested to open their safe and allow their members greater access to our Ritual Work. Each District Instructor works with his Zone Chairman or the Primary/Secondary Designee at these Open Book Schools. It should be the goal of every member of this Committee to open these safes and expose the membership to our Ritual as often and regularly as possible. In every instance the Open Books must be requested by the Zone Chairman and approved by the Grand Master or State Chairman of the Committee on Work, should the Grand Master grant such authority. Each Worshipful Master should stress to his Officers and membership the importance of attendance at these Open Book Schools. District Instructors are encouraged to invite some of the Brethren present to exemplify a Degree or any portion of a Degree during these schools using the book as a guide. Each District Instructor will also conduct various Schools of Instruction without the Open Books as District wide schools, Lodge schools, or instruction for individual Brothers. Each District Instructor will maintain a record of these instructions. They will be required to compile these records and submit a report to their Zone Chairman on October 15, 2015, and March 15, 2016. The Ritual Work has always been considered an important part of Masonry and every Brother should put forth the effort to properly learn the Work so their Lodges are able to perform the various Rituals at a respectful and admirable level.

**Proficiency Cards:** Proficiency Cards will be awarded to members that display proficiency in our Ritual per the Digest of the Masonic Law of Florida, Regulation 37.16. Each District Instructor will be allowed to request Proficiency Cards up to the level of the card that he personally possesses, with the exception of a "Gold" card. Zone Chairmen will also be allowed to request Proficiency Cards, but should defer this action to the District Instructor whenever possible. All "Gold" cards must be tested and requested by the Zone Chairman at an Open Books. In order to request a new or renewal card, they will notify the Vice Chairman of the Committee on Work with the information required, and the card will then be returned to the person requesting it to allow for a proper presentation of the Proficiency Card to the qualified Brother. The Vice Chairman will send regular reports notifying the Grand Lodge Staff to update the member's records.

**Memorial Service:** The Digest of the Masonic Law states that the Committee on Work will conduct appropriate memorial ceremonies. Due to this, it is the honor of the Committee on Work Sub-Committee for Memorial Services to conduct a Memorial Service prior to each Grand Lodge. This Memorial Service will be held on Sunday May 29, 2016, immediately following the Church Service. Eulogies for some select members will be delivered and a tribute offered for all members deceased during this Grand Lodge Year. The District Deputy Grand Masters will each place a rose on the Altar in memory of their deceased Brothers. Our Right Reverend Grand Chaplain will also assist with this ceremony. A separate report of the Sub-Committee for this service will be prepared and read during the Grand Lodge Session.

**The Actual Past Master Mason Degree:** The Committee on Work is required to have a Sub-Committee on the Actual Past Master Mason Degree, and is required to confer this Degree at each Grand Communication. This Degree will be conferred during the 187<sup>th</sup> Grand Communication on Monday, May 30, 2016, in the Grand Lodge Room. The fee for this Degree will be ten dollars and a sign-up table will be located in the lobby to allow for easy and quick registration. Every Past Master and Worshipful Master that receives this Degree will be given a card and certificate of attendance. The Grand Secretary's Office and the Committee on Work will have these prepared and signed prior to the Degree for each of the current Worshipful Masters. This will allow them to be presented immediately following the Degree. Anyone receiving the Degree that does not receive their card or certificate that evening will receive their

card or certificate through the mail as soon as possible. A separate report of this Sub-Committee will be prepared and presented during the Grand Lodge Session.

**Ritual Competition:** The Grand Master has granted permission to allow Ritual Competitions this year. The Ritual Competition will be done at the Zone level, with Lodge teams and District teams both allowed. District Instructors will not be allowed to compete on a team, as we feel they should apply themselves as a coach and spokesperson. The scores will all be tallied and the highest scoring team will be crowned the State Champion. All competitions will be scored by three (3) members of the Committee on Work, or approved alternates. Ties will result in multiple winners for 2<sup>nd</sup> and 3<sup>rd</sup> places; however, there shall be one “State Champion” to allow for the traveling trophy. There will be a tiebreaking procedure for this award established prior to the competition that would not require teams to compete again. Lecture Competition will also resume in the same manner as before with all participants competing during the Zone competition and the highest scores will be receiving awards and recognition during the Grand Lodge Session.

Worshipful Masters of the Particular Lodges  
All Masons in Florida

My Brothers:

As we enter the 2015 Grand Lodge Masonic Year our challenges are the same as they were 22 years ago when this program was founded. In 1993, the Corporate Board changed the employee retirement program for Grand Lodge that existed, and found that there was a surplus in the accounts and established what we know today as the Fraternal Administrative Endowment Fund (FA-100).

**Article XV, Constitution**

**Section 11.** *There is hereby established a Grand Lodge Fund to be designated the Grand Lodge Administrative Endowment Fund of The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida. Said fund is hereby designated and dedicated as a Sacred Trust Fund, the principal amount whereof shall not be expended for any purpose or purposes whatsoever save for investment and reinvestment. The income therefrom may be expended for the use of the Administrative Budget of The Most Worshipful Grand Lodge of Free and Accepted Masons of Florida. All monies received from the Grand Lodge proportion of the Perpetual Membership Program in excess of the current per capita shall be paid into this fund. (1993)*

The FA-100 or Fraternal Administrative Endowment Fund is often confused with MH-100 or the Masonic Home Endowment Fund. MH-100 is a program that supports our Masonic Home and is truly important but is totally separate. Of equal importance is the FA-100 in ensuring that our Grand Lodge can provide quality support to Florida Masonry.

The Fund above was started with an initial investment of **\$87,000.00** as a trust fund account that, through the years with donations, along with good investments, has grown a surplus to help with the budget of The Grand Lodge of Florida and its operating expenses. The purpose of the Fraternal Administrative Endowment Fund (FA-100) is to raise funds for Grand Lodge, so the fund investments will eliminate the need for the Per Capita Tax to all Lodges, but as we have seen with diminishing membership and rising expenditures we have had to increase this tax and the need for the fund will continue until a time when we can comfortably do without it.

In simple terms, like a business Grand Lodge is our home office, and the Lodges are separate branch offices that operate to promote our organization and carry our message into the communities throughout the state. Like all our Lodges we have established budgets and operating expenses. As shown in the annual budget for Grand Lodge our operating expenses were approximately **\$1,600,000.00** which ranged from day to day office expenses, employee salaries, Grand Lodge Communication expenses, travel, administrative programs, building maintenance, along with a myriad of other budgeted items. Each year

with the decrease in membership through the Lodges, we have seen a need to transfer on average **\$100,000.00** or more in funds from the account to cover costs not covered by the budgeted amounts we receive through the Per Capita Tax. Last year we withdrew **\$119,285.00** out into the budget which shows our withdrawal far exceeds our donations and net income per year. **In summary, our need to raise the Per Capita Tax from \$14.00 to \$20.00 in simple math with 35,500 members x \$14.00 our income is \$497,000.00 that we will receive this year. Next year with declining numbers of say 33,500 members x \$20.00 our income is \$670,000.00 which will still fall well short of our annual budget for Grand Lodge.**

This year we will continue with one of the primary means of creating funding for this endowment as in recent years we have been making special neckwear designed by the Grand Master available to the Craft. It has been established that with a **\$50.00** donation, Brothers would receive a tie and funds would go to support the FA-100 Program. With a purchase the Brother shows his support of the program as well as his support for the Grand Master by wearing his tie. This program, if promoted and supported with the assistance of all the Brothers, yearly nets us around **\$25,000.00** and with other donations the potential is around **\$40,000.00** for the year.

Our committee will introduce a new brochure explaining the purpose of the Fraternal Administrative Endowment Fund (FA-100) as well as other fundraising ideas that will provide means of financial support for the FA-100. Other means of fundraising being looked at entails: compiling sets of the left over Grand Master Coins for Brothers to purchase of past years; a license plate frame to go along with our new Masonic Plates; researching a program similar to the Tree of Life or pavers for the Grand Lodge Building similar to the one at the Masonic Home; or the re-adoption of a new Masonic Pin, as well as tux button covers and cuff link sets we have done in the past. We will evaluate the various ideas above and others where sales will go to build the endowment fund for the future. Individual donations accepted will still be our main focus to ensure the brothers understand the importance of maintaining our Endowment fund to eliminate the Per Capita Tax.

#### **District Deputy Grand Masters:**

This year each District Deputy Grand Master is encouraged to promote the FA-100 and the need for additional funding through donations as well with the sale of the Grand Master's Ties and other opportunities that we introduce. The District Deputy Grand Master will ensure that his District Chairmen tracks and turns over all monies received throughout the year. A form will be provided at the Grand Communication to indicate how many items he will initially require and for tracking purposes. He will subsequently follow an established practice if he requires more items as the year progresses. It is critical that protocol be followed to allow for accountability and to ensure that adequate supplies are available.

The District Deputy Grand Masters should encourage the Lodges and the Brothers of his District to set aside funding in their budgets for the Fraternal Administrative Endowment Fund as well as encouraging individual Brothers to assist where possible. As other programs throughout the year will be put into the budget for funds from each Lodge, please don't forget a provision for this special program, and place a special emphasis on the aspect of the program when it entails. Funding from donations should far exceed any monies derived from the neckwear portion of this initiative.

**Zone Chairmen:** Your responsibility is to coordinate the efforts of the District Chairmen and District Deputy Grand Master's to ensure a smooth flow of information pertaining to funding and inventory accountability. See that the DDGM for each District gives you the Brother's contact information that will be representing his District. Also, ask that these Brothers to advise you of any and all donations to the Fraternal Administrative Endowment Fund (F.A.E.F.) so that proper documentation and recognition can be given to the Zone, District, Lodge, and Brother. You will report directly to the State Chairman to

ensure this system performs efficiently and all donations are received and documented so we can provide an informative report to our Grand Master and all the Brothers of our great Fraternity.

**District Chairmen:** Work with your Zone Chairman and District Deputy Grand Master; seek their support, and visit the Lodges in your District. It is your responsibility to educate the Brothers about this program and of its importance to our Fraternity. Education is the key. Brothers want to know what and why they are donating to a program that many of them aren't familiar with. Many Brothers do not know much about the Fraternal Administration Endowment Fund or its purpose. On your visits to the individual Lodges, encourage each Lodge to put the FA-100 Program in their budget. Push and promote the ties as well as any other item that is presented by this program. Ask for a donation at the end of your presentation. Please make sure to advise your District Deputy Grand Master and Zone Chairman of any and all donations.

**Worshipful Masters:** Consider having a fundraiser to support the Fraternal Administrative Endowment Fund (F.A.E.F.) in your Lodge or make it a charity one month. Have a talk or use one of your monthly educational talks to explain the purpose of this program. I know you hear a lot of talk about donating money to all the activities we support. However, would our philanthropy be of the same quality without our Grand Lodge support and administrative assistance? Give the FA-100 Program a high priority, and include it in your annual budget.

**Brothers All:** In Summary, as we established the Per Capita Tax we acknowledge that as each year Brothers gladly and humbly support our respective Lodges by paying our annual dues. These dues afford us a safe haven, a Lodge to call home, a place to have fellowship with our Brethren. The Per Capita Tax is no less than our dues to our Grand Lodge, so that it can function and support the Craft, for with no Grand Lodge, there can be no Craft and without the support of the Craft, there can be no Grand Lodge.

Once this fund reaches its goal, these administration costs could be funded from investment income provided by this endowment fund. This would allow the current per capita tax to be kept in **your** Lodge, and we would reduce the importance of this program as it would be self sustaining. Consider making a donation today, or provide something in your will that would help Grand Lodge when you're gone. Your Help and Commitment will make this work and our Fraternity will be better for your efforts. We are all in this together and our future relies on us to provide a stable financial environment for years to come.

*\*Please make sure all checks are made out to The Grand Lodge of Florida and in the note section write Fraternal Administrative Endowment Fund (FA-100) so Grand Lodge can properly account for the donations.*

Please don't hesitate to contact me if I can be of assistance to you in anyway.

Fraternally,

R.: W.: Lawrence A. Williamson  
State Chairman

**GRAND MASTER'S CHARITY FOR 2015-2016  
YOUTH PROGRAMS**

To: Elected Grand Lodge Officers  
District Deputy Grand Masters  
Zone Chairmen and District Chairmen  
Worshipful Masters of Particular Lodges

Brethren:

The Grand Master, M.:W.: Steven P. Boring, has always been a staunch supporter of all forms of our youth programs. "The Youth Is Our Future" states it all. The Grand Master firmly believes that the youth are our leaders of the future and need our assistance. M.:W.: Steven P. Boring has selected the youth as his charity. The Grand Master's Charity for the Masonic Year 2015-2016 will be used to support our Florida Masonic Youth and the Florida Sheriffs Youth Ranches, Inc.

With this in mind, the Grand Master's Charity this year will be designated and dedicated to our youth. Donations to the Grand Master's Charity will be deposited into the Masonic Charities of Florida, Inc., Fund, a 501(c)(3) tax exempt charitable account, and will be used to support these two youth programs that are dedicated to education and the principles that will help build strong leaders for our future.

A separate and special account has been set up by the Grand Secretary to ensure that all donations are properly distributed to our youth and proper records maintained. Checks should be made payable to "**Masonic Charities of Florida, Inc.,**" with an annotation in the note line stating "**Youth.**"

**District Deputy Grand Masters:** You will ensure that a dedicated Brother is assigned as your District Chairman for the Grand Master's Charity. This individual should be a dedicated Brother who is involved with one of the many youth organizations. Your District Chairman should be able to adequately present the youth program during your Official Visits and be able to help and sponsor fundraising events.

**Zone Chairmen:** You will coordinate and work with the District Chairmen on fundraisers. Encourage each Worshipful Master to have a least one fundraiser this year for the Grand Master's Charity. Ensure that each District Committee Chairman keeps you well informed of all events and progress to raise funds. Ensure that the State Chairman is kept up to date on events and contact him if any assistance is needed.

**Worshipful Masters:** It is hoped that each Lodge will be able to donate \$100 to the Grand Master's Charity when the Grand Master makes his Official Visit to your District. These funds can be raised by individual donations or special fundraisers. Work closely with your District Chairman and request from him any assistance you may need.

Although the Cardiac Research Institute (MMRL) will continue to remain our Grand Lodge Flagship Charity, the Grand Master's Charity this year will be a separate endeavor.

MH-100 COMMITTEE PROGRAMS 2015-2016**

To: District Deputy Grand Masters  
Zone Chairmen, District Committeemen  
Worshipful Masters of the Particular Lodges

**L.Y.P.M.G.C. PROGRAM**

The “Let Your Pennies Make Good Cents” Program began in 1958. It was created with the intention of every Brother donating a penny a day, to be deposited in an Endowment Fund with the principal never to be touched. The interest from this money would be utilized for the operation of the Masonic Home, which is one of only twenty homes with a FIVE STAR facility rating in Florida, and thereby ensuring the residents of the Home an exceptional quality of life, which they so justly deserve. I am confident that any Brother who visits our Masonic Home will consider his “pennies” well spent, and will be very proud of our beautiful facility and the comfortable, secure environment that has been created for our Brothers and Sisters.

We voted to increase the voluntary donation to \$7.30 per member to support this Endowment Fund. Please take the time to remind and encourage all Brothers to participate and support this program and contribute the full \$7.30. The Brothers who do not or cannot attend Lodge should be notified of the importance of supporting this program. Ask the Lodges in your Districts to put a reminder in the trestleboard explaining the importance of this program.

Please ensure that our Lodge Secretaries include the L.Y.P.M.G.C. in their quarterly reports to the Grand Secretary in a timely manner as required, so he is able to keep track of the monies received for this program. Also, we need the continued presentation of various awards that are presented to the Lodges that contribute at least \$7.30 per member. For the Brothers who do contribute the full \$7.30, including all Perpetual Members, the Lodge Secretaries should remember to affix the gold foil seals to their membership dues cards. Submission of the monies raised must be sent in quarterly. 100% of the funds raised for this program are not discretionary and therefore are not to be used for any other Lodge expenditures. It would be un-masonic to do so.

I am confident that with the support of the District Deputy Grand Masters, the Zone Chairmen, and the District Chairmen, the Lodges will step-up to the challenge of 100% participation in support of this very worthy program making this a very successful year.

One last point, once the Lodge Secretaries, District Chairmen, Zone Chairmen, and I receive the quarterly L.Y.P.M.G.C. Detail Reports from our Grand Secretary, our work should have already been accomplished. Be proactive, not reactive to these reports. I hope you will call on me for assistance at any time. Working together as a team, we will achieve our goals.

**MH-100 PROGRAM**

The Masonic Home operates on a budget funded by interest income from our Masonic Home Endowment Fund, Inc. Because of inflation and variations in the stock market, we need to ensure that this investment is large enough to support the home during hard times. The Masonic Home Administrator, Mrs. Lisa Tsotsos, and her excellent staff, have earned the highest rating possible (5 STAR) from the State of Florida Regulatory Inspectors. Our Masonic Home depends on the Endowment Fund for its existence and for the welfare of its residents and for maintaining this high quality of care. These residents, worthy Brothers, their wives, and/or their widows, are the same each of us promised at our Sacred Altar to contribute to their relief. Financially, in order to stay ahead or at least keep up with the increasing cost of living and inflation, it is necessary that we continue to procure donations for the Endowment Fund. This can be accomplished in various ways.

The District Deputy Grand Masters should become thoroughly familiar with the MH-100 Program and during each of his visits should, in the absence of the District Chairman, promote the MH-100 Program. Another recommendation is at the beginning of the 2015 Masonic Year correspondence, which could include a flyer and a letter, can be sent to each of the Particular Lodges. The letter should contain a request for each Lodge to contribute at least \$100.00 to the MH-100 Program. (An excellent time to present this donation is when the Grand Master makes his Official Visit in your District.) The District Chairmen could also include in this correspondence any ideas for programs he may have to obtain donations, providing the programs are within our Masonic guidelines. The District and Zone Chairmen should work together closely to organize fundraisers and to obtain donations, either large or small. To encourage further participation in the MH-100 Program, the Grand Lodge recognizes donations in the following manner:

\$100 Donation = MH-100 Club Level – Bronze Lapel Pin and Certificate  
\$200 Donation = Ambassador Club – Red Enamel Lapel Pin and Certificate  
\$500 Donation = Gold Club – Gold Lapel Pin and Certificate  
\$1,000 Donation = Grand Master’s Club – Blue Enamel Lapel Pin and Certificate

Donations are cumulative and will be recorded by the Grand Lodge Office. As donations increase to the next level, the award for that level will be presented. For the highest per capita donation, one Lodge in each District and one Lodge statewide will be recognized at our Grand Communications in 2016 for their contributions. It is my goal to work closely with each Zone Chairman, and I expect each Zone Chairman to work with their respective District Chairmen, in order to provide an accurate accountability to our Grand Lodge.

Other donations to the MH-100 Program can be made “in honor of” or “in memory of” someone special as an expression of appreciation. Members of a Particular Lodge may compile their donations to purchase a membership in the MH-100 Club to express their appreciation of a deserving Brother.

Although the initial idea of this Committee was to solicit \$100 donations, it must be stressed that any amount received will help the bottom line. Whether the contribution is \$1 or \$100, it will help our Home.

Remember Brothers, all contributions to the MH-100 or the Masonic Home Endowment Fund, Inc., are TAX DEDUCTIBLE.

So let’s get together and raise some money for our Masonic Home. As State Chairman, I am at your service and ready and willing to help you make this Committee a success. I will be in touch with you and I hope you will call on me for assistance at anytime.

Respectfully submitted,

To: District Deputy Grand Masters  
Zone Chairmen, District Committeemen  
Worshipful Masters of the Particular Lodges

Congratulations Brethren, on your respective appointment and election this year.

It is an honor to serve our Grand Master and the Craft and I want to thank him for my appointment to this important committee. The Masonic Education Report forms are available on the Grand Lodge website and will also be provided to each Lodge by the District Chairmen for Masonic Education.

### **District Deputy Grand Masters:**

Our Grand Master has selected you to represent him in your District to ensure his programs and Committees succeed and prosper. This is a great responsibility that you have accepted. Do not choose lightly when you appoint your District Committeemen for Masonic Education. They must understand that they have accepted a WORKING position that requires active, ongoing communication with ALL the Lodges in your District throughout the year. They must have experience in how to be a good leader of a Lodge. Offer your aid and support to help arrange the District Masonic Education Workshops. When you make your visits to each Lodge in your District, please stress the importance of Masonic Education and ensure that each Lodge uses the Lodge System of Masonic Education for all candidates during the Degree process. Encourage each Lodge in your District to establish a Lodge Masonic Education Committee and have your District Committeeman contact each Worshipful Master to obtain the name and contact information of each Lodge's Masonic Education Chairman. Ensure that your District Chairman works with each Lodge to help them attain the Masonic Education Award at the end of the year.

### **Zone Chairmen:**

Our Grand Master selected you to work with each District in your Zone and ensure the Masonic Education Program for this year succeeds. Contact the District Deputy Grand Masters in your Zone and ask them for the name and contact numbers for the District Chairman they have appointed for this program. Offer your assistance and support to the District Chairman and DDGM. Work with each of them to create a Zone Masonic Education Workshop. This workshop will provide focus on Lodge Mentoring and address any suggestions the Brothers might have to improve the Masonic Education Program. You will encourage the Brethren in your Zone to use the Education Booklets from Grand Lodge, to take the Master Mason Examinations and complete the Lodge Officer Correspondence Courses. Influence each Lodge to stress the importance of continuing education for our Lodge Officers. You will grade the Lodge Officers Training Course Exams and forward the results to Grand Lodge. Forward any information you may learn which you feel will help the other members of our Committee. You will ensure that the Quarterly Reports and the Year-Ending Report are filed in a timely manner.

### **District Committeemen:**

This is a very important position in the system of Masonic Education. You will schedule a separate visit to each Lodge in your District and address Masonic Education at that visit. You will be familiar with all

the Masonic Education Reports and criteria for earning the Masonic Education Achievement Award. Stress the importance of filling out and submitting the various Masonic Education Reports in a timely manner and inquire if they need assistance with the reports and/or Masonic Education in general. You will grade each Master Mason Exam and then send the information to the Worshipful Master, the Zone Chairman, and Grand Lodge to receive a Certificate to present to the Brothers who passed those exams.

You will create a District Masonic Education Workshop. This workshop can explain all the information that Grand Lodge offers, review the Masonic Education Reports the Lodges are required to submit; review the criteria required for each Lodge to achieve the Masonic Education Achievement Award; complete Master Mason Exams; and address Lodge Mentoring. You will review all Masonic Education Reports submitted by the Lodges and address any problems noted before forwarding the reports to the Zone Chairman. During this year be proactive; ensure that each Lodge follows the requirements per Regulation 37.18 of the Digest of the Masonic Law relating to instruction of a Brother before and after conferring each Degree. Confirm that the Worshipful Master has appointed a Lodge Mentor's Committee as described in U.C.B. 10.05 in Chapter 24.05 of the Digest of the Masonic Law of Florida. You will ensure that all Committee Reports are submitted to the Zone Chairman in a timely manner.

### **Worshipful Masters:**

As the Worshipful Master of your Lodge, one of the most important goals you should strive to achieve is to help ALL of your members grow and learn through Freemasonry. Encourage all members of your Lodge to attend the District and Zone Masonic Education Workshops. Complete the Quarterly Masonic Education Report (ME-Q) and send those reports to your District Chairman in a timely manner. This will advise Grand Lodge how to best serve the Craft in this area. Appoint a Chairman for Masonic Education in your Lodge. Empower the Chairman to work with the members to ensure your Lodge achieves the Masonic Education Achievement Award at the end of the year. Review with your Lodge Chairman and Officers of your Lodge and its use of the Lodge System of Masonic Education for each Candidate during the year. The appointment of a Lodge Mentor's Committee, as described in U.C.B. 10.05 in Chapter 24.05 of the Digest of the Masonic Law of Florida, is of utmost importance. Encourage your members to complete the Master Mason Exams in your Lodge. Establish the trend that each Officer from Senior Deacon up should complete at least one Lodge Officer Training Course Module per year. It is your responsibility to fill out the ME-1A Masonic Education Achievement Award Report at the end of your year and forward it to your District Chairman. Do not hesitate to contact your District Chairman for assistance with Masonic Education.

Fraternally,

W. : Martin J. Grossman  
State Chairman, 2015-2016

A score of 90% is required and is easily obtained. These examinations may be administered by the Worshipful Master, the Lodge Masonic Tutor, or the District Chairman of Masonic Education. Masonic Education  
Scope of Work

There are many different opinions as to what Masonic Education should be. The range is wide and varied, and there is no real focus on any one part of this complex interpretation. We must **NOT** confuse Masonic Education as is related to this committee, by promoting Trivia, History (other than that in the list below), Masonic anecdotes, MSA Short Talk Bulletin, Articles written in Masonic Bulletins, Newspapers, Magazines, Books, Periodicals, Pamphlets, or Internet, etc... Therefore, in order to clear the intent of this Committee, to eliminate any confusion, the work of this Committee shall be directed to every aspect of educating the Lodge as promulgated by the Lodge System of Masonic Education, adopted in 1954 Proceedings and revised in 1979. The material to be used shall be strictly those furnished by The Grand Lodge of Florida with the exception of those, which pertain to the Esoteric & Ritual Work, which are entirely in the purview of Committee on Work. The list below will cover all materials available for Masonic Education.

## THE SYSTEM OF MASONIC EDUCATION MENTORING

1. Candidates are to meet with the Lodge Mentor appointed by the Worshipful Master prior to receiving the Entered Apprentice Degree to receive the first Masonic Lecture from the Mentor's Manual, Chapter 2. (The Mentor should be familiar with this manual so as not to read it verbatim as this is boring to the candidate.)
  - At this time the Masonic Education Booklet GL 201, should be given to the candidate
2. Immediately after receiving the Entered Apprentice Degree, on the first night of instruction, the Lodge Mentor gives the second Masonic Education Lecture from the Mentor's Manual, Chapter 3.
  - The Brother will also be given the Masonic Education Booklet GL 202.
  - The Entered Apprentice Catechism Booklet is given to the Brother at this time.
  - The Entered Apprentice Degree Booklet GL 203 will also be given to the Brother.
  - Catechism instruction for the E.A. Degree begins at this time with the Lodge Ritual Instructor.
3. Immediately after receiving the Fellow Craft Degree, on the first night of instruction, the Lodge Mentor gives the third Masonic Lecture from the Mentor's Manual, Chapter 4.
  - The Brother will also be given the Masonic Education Booklet GL 204.
  - The Fellow Craft Catechism Booklet is given to the Brother at this time.
  - The Fellow Craft Degree Booklet GL 205 will also be given to the Brother.
  - Catechism instruction for the F.C. Degree begins at this time with the Lodge Ritual Instructor.
4. Immediately after receiving the Master Mason Degree, on the first night of instruction, the Lodge Mentor gives the fourth Masonic Lecture from the Mentor's Manual, Chapters 5, 6, 7, 8, and 9.
  - The Brother will also be given the Masonic Education Booklet GL 206.
  - The Master Mason Catechism Book is given to the Brother at this time.
  - The Master Mason Degree Booklet GL 207 will also be given to the Brother.
  - The Masonic Education Booklet GL 208, Masonic Etiquette, will also be given to the Brother.
  - Catechism instruction for the M.M. Degree begins at this time with the Lodge Ritual Instructor.

The Masonic Education Booklets are to be taken home by the Brethren for study. They should be encouraged to return to their Lodge Mentor with any questions they may have. Candidates should also be advised that the Masonic Education Booklets may be read by their family members, which should clarify any misunderstandings concerning the secrecy of his instructions. Further assistance may be obtained by contacting your District, Zone, or State Masonic Education Chairman.

\*\* Ensure that the Lodge Chairman of Masonic Education is reporting all activity in compliance with Reg. 37.18 and that they are recorded in the Minutes of the Lodge.

## MASONIC LEADERSHIP TRAINING PROGRAM 2015-2016

To: District Deputy Grand Masters  
MLT Zone Chairmen  
MLT District Committeemen  
Worshipful Masters of Particular Lodges

My Brothers:

Congratulations on your appointments. You have been chosen because you are a leader among Masons and I applaud each of you for your dedication and devotion to our Craft. Brothers like yourselves are the reason our Fraternity has remained so strong through the years. Because of your zeal and devotion to our Fraternity, you have been chosen to serve the Craft.

I am calling upon that zeal and devotion that you have to assist your Grand Lodge in educating our future leaders of this great Fraternity. This may prove not to be an easy task but with the leadership qualities you have shown, and the MLT Manual, I have the utmost confidence that WE as a TEAM can accomplish this task and help to ensure the strength of our Fraternity.

You are not just limited to your Lodge, District, or Zone. If a fellow Chairman needs assistance, we should ever be ready to help aid and assist to ensure the success of our Committee. You were chosen as a LEADER!

The Masonic Leadership Training Program now begins its sixth year. The program has been overwhelmingly embraced by the Craft. This started as a five year program, but in the last three years we have come a long way in mapping out its future goals. A curriculum outline has been created that provides guidelines for future training and development and is highly recommended to be followed in order not to short change any Brother in his Masonic Education. Several power point presentations have been created and made available to the leaders of this program with more in the pipeline. This Committee is extremely important to the future of our Fraternity. Please assist The Grand Lodge of Florida in leading our Brothers and Fraternity into the future.

### **To All Master Masons:**

As Master Masons, you entered our Fraternity seeking fellowship, knowledge, self-improvement, community involvement, and love of God and Country. This Masonic Leadership Training Program will lead you to achieve all those goals and more. Your **participation** in this program is earnestly recommended, as it will help you in assisting your Lodge, District, and Grand Lodge in the discharge of all the duties and responsibilities towards your fellow Masons, but more importantly, your spiritual growth in helping others will help humanity.

### **To All Worshipful Masters:**

As Worshipful Master of your Lodge, you are responsible for the Masonic well being of all your members. You are required:

- To impart knowledge.
- To assist them in the building of their Masonic Edifice.
- To conduct all Lodge business as prescribed by Grand Lodge and the good rules of propriety.
- To be involved in the Community in which your Lodge resides.
- To ensure a legacy of leadership will follow for years to come.
- To create an atmosphere of Brotherly Love and Affection in your Lodge and truly be your Brother's Keeper.

Your duty to this program is vital to the future of our Lodges. Your participation will show by example your dedication to its success. It is necessary that you bring along with you the Lodge Officers and as many Brothers as possible who are interested in the well being of their Lodge and their Fraternity.

The participation of your Lodge in this Program will ensure growth, stability, and leadership. Please take advantage of the program presented in your Zone. Education is Power and Enthusiasm is the Switch.

#### **To All District Deputy Grand Masters:**

In your capacity as District Deputy Grand Master, you are required to make many appointments, all of which should be well qualified to perform their duties. Remember that these appointments need to execute different responsibilities with different demands for different purposes. So choose well, my Brothers, as your appointments will directly reflect on your leadership ability.

As you are responsible for all your appointments, make sure they are carrying out their responsibilities in the discharge of their office. These appointments are not like some commercial products where you *sell it and forget it*. Your reputation and position will suffer greatly if your appointments are taken as trivial and inconsequential, for such I assure you is not the case.

Therefore, study your appointments and recommendations well, my Brother, and make sure you find the very best talent your District can offer to make your appointments. We are not looking for advancement of unqualified friends; we are looking for the promotion of well qualified Masons who are willing to give of their time and talent to benefit the entire Craft.

#### **To All District Committeemen:**

You have been selected by your District Deputy Grand Master to this important position because of the skills, knowledge, and leadership you have shown in your District. This Committee will require all of these traits in order for you to discharge the duties required of this Committee. Remember, your District Deputy Grand Master has appointed you after careful consideration of your qualifications, and it is hoped that you will fulfill your duties to the best of your ability.

As the Chairman of this important Committee in your District, you are to be constantly promoting this program by exerting its importance to the well being of every Brother (and Lodge) who will benefit from participating in the Masonic Leadership Training Program.

You need to be in touch with your Zone Chairman, who will inform you of the upcoming Zone events so you can communicate them to the Lodges in your District. You should be aware of Brothers in your District who are knowledgeable in Fraternal Matters and recruit them to participate in this Program, and recommend them to your Zone Chairman or District Deputy Grand Master. We are looking for Brothers who have the time, love, and dedication to assist Grand Lodge in implementing their programs. Remember to recommend only those who are worthy and well qualified.

Notify your Zone Chairman by email (**With a copy to the State Chairman**) of all scheduled MLT Seminars at the District and Lodge levels to include: 1. Date and Time; 2. Location of Training; and 3. The Lesson Number(s) to be presented.

Make a report of all District and Lodge level training with the following information and any other comments or recommendations you may deem appropriate to the Zone Chairman no more than 5 working days from the meeting date. Use the MLT Workshop Sign In Sheet (MLT-1), and the MLT Comment Sheet (MLT-3) to prepare your reports. Summarize the following information utilizing the MLT Workshop Attendance by Lodge (MLT-2) and the MLT Lesson Critique Summary (MLT-4) in the appropriate spaces. Include a Completion Letter for all Brothers completing all 15 lessons, listing their name, member number, station held, and Lodge name & number.

Be prepared to assist the Zone Chairman in the discharge of his duties by assisting him in any capacity in order to have a successful Zone presentation to all the Brothers participating in the Masonic Leadership Training Program at the Zone level.

**To All Zone Chairmen:**

It is essential that you envision what this program can do for our Fraternity in order for you to be able to describe it to the Craft in detail. It is just as important that you select the presenters with as much care as you would use in the care of a small child.

Develop and present training that meets the minimum requirements in knowledge for the Lodge Officer in Lodge management. Utilize the Masonic Leadership Training Manual to prepare Lesson Guides and Power Point Presentations. Subjects must include, but are not limited to:

1. Lodge Officer Training
2. Worshipful Master Duties
3. Planning Your Year
4. Becoming the Worshipful Master
5. Running Your Lodge
6. Lodge Committees
7. Petition and Investigations Committees
8. Communications
9. Finances & Budgets
10. Membership
11. Lodge Renewal
12. Ritual
13. Service
14. Event Organization
15. Additional Programs

It is very important that the Curriculum Outline be followed using the time suggested for each lesson.

All completed Lesson Plans and Power Point Presentations will be forwarded to the State Chairman for review and approval.

When this material is properly presented, it could make the difference between a well operated Lodge with plans and goals and a misguided Lodge with no plans and goals. It can make a difference with Lodge Officers that are aware of their duties and responsibilities and those that go by the seat of their pants from meeting to meeting. You can make a difference with Officers that will understand that empowering those behind him with knowledge, duty, and responsibility is the greatest legacy they can leave for their Lodge.

As you present this program, make sure that you use all of the proper logistics, not what is easier for you, but what is better for your Zone. If more than one Zone Meeting is needed to better serve all of the Districts in your Zone, then proceed to do so. Remember, this program has been designed to assist the Craft, and your Grand Lodge Officers are dedicated to serving the Craft, as they are our most valuable resource.

Notify the State Chairman by email of all scheduled MLT Seminars at the Zone, District, and Lodge levels to include: 1. Date and Time; 2. Location of Training; and 3. The Lesson Number(s) to be presented.

Make a report of all Zone Meetings with the following information and any other comments or recommendations you may deem appropriate and forward a copy to the State Chairman no more than 10 working days from the meeting date. Use the MLT Workshop Sign In Sheet (MLT-1), and the MLT Comment Sheet (MLT-3) to prepare your reports. Summarize the following information utilizing the

MLT Workshop Attendance by Lodge (MLT-2) and the MLT Lesson Critique Summary (MLT-4) in the appropriate spaces.

**MLT-2 Attendance by Lodge:**

1. Numbers of the Zone, Districts
2. Meeting Date and Lesson Numbers presented
3. Name(s) of the Facilitator(s) and Location of Training
4. List, by District, each Lodge Represented
5. List by Lodge each Lodge Officer attending
6. List by Lodge each additional Brother attending

**MLT-4 Lesson Critique Summary:**

1. Numbers of the Zone and Districts attending
2. Name of Instructors and Location of the Training
3. Date and Lesson Numbers covered
4. Time Started and Ended
5. Total number of Participants and Number of Critiques returned
6. In the “Comments By Trainer” section list:
  - a. How many MLT District Chairmen were present and their Names
  - b. Names of all Presenters and their Topics
  - c. How many DDGM’s were present from your Zone and their names
  - d. Your Comments and Recommendations for future training

Annotate the “MLT Report Card” for only those lessons that a Brother actually attended. Notify the State Chairman when all 15 lessons have been completed with the date, name, position, and Lodge of the Brother completing the training (**Completion Letter**). Prepare a spreadsheet to keep track of the status of the Brothers. This should include the Brothers name, member number, District, date given completion certificate, Lodge receiving Plaque, year plate, and date when Primary Officers completed all 15 lessons.

**To The State Chairman:**

You should attend and assist in the coordination of the Zone/District Seminars so you can participate whenever feasibly possible. Assist as required in preparing the agenda for the seminars and selecting the proper topics for them to present. Pay particular attention to the logistics of the seminars, keeping in mind that it should be made easy for the participants, not the presenters, District, Zone, or State Chairman.

Ensure that the “MLT-2 Attendance by Lodge” and the “MLT-4 Lesson Critiques Summary” reports are properly completed and pass them on to the Grand Master and Elected Grand Line Officers (D.G.M., S.G.W., J.G.W.).

Evaluate presentations in content and their presenters in the different Zones/Districts, make recommendations for improvements to the Zone Chairmen, and forward a copy of evaluations to the Grand Line Officers.

Report on all Zone and District Seminars across the state to the Grand Master and Grand Line Officers. Reports are to be made September 1, January 1, and May 15. This report should be comprehensive, taking into account all logistics, programming content, presentations, evaluations, and recommendations for improvement of this program.

Provide an appropriate Certificate of Completion and special MLT lapel pin for all Brothers who have completed all 15 course training requirements. Ensure that entry is made into each Brother’s Masonic History. Notify the Grand Master of all Brothers completing the training to see if he wants to personally

present the certificates to the Brothers. Provide an info copy to each Elected Grand Line Officer. Keep a file of all Brothers completing the training by date, name, position, and Lodge.

Originally the awarding of the MLT plaques were accomplished at Grand Lodge Communications based on the Grand Lodge Masonic Year. Awarding the plaques based on the Grand Lodge Year has a pitfall where a Worshipful Master who does not ensure his Officers have completed the MLT lessons could be awarded the plaque for his year. Likewise, a Worshipful Master that ensured compliance may not receive the plaque for his year.

Therefore, the awarding of the plaque will be based on the Lodges' Masonic Year instead of the Grand Lodge Year.

As part of your duties, you should always keep your eyes open for Brothers that are excelling in this program as presenters and keep the Grand Line Officers informed of such Brothers and encourage them to get involved.

**To All:**

For years, the Craft has been asking for a better program and Grand Lodge has heard the request of the Brothers and responded with the MLT Manual which lays out what is necessary for a Lodge to be successful. Let's take it out there and share this useful knowledge with the Craft.

I must remind you that reporting to the Grand Lodge Officers is extremely important as this is the only way we will continue to improve on this program in a timely manner so that no Brother will feel that their labors are in vain and that the programs are faulty and not worthy of their time and attention.

In closing my Brothers, I, your humble servant, am here for you; so please do not hesitate to contact me for any questions or assistance you may require.

Remember one thing: we will only succeed if we FUNCTION AS A TEAM!

Fraternally and respectfully submitted,

R. : W. : Frank E. Kleese, Sr., State Chairman  
Masonic Leadership Training Committee

## **MASONIC YOUTH ACTIVITIES COMMITTEE PROGRAM 2015-2016**

For many years, the Masonic Youth Committee has been working hard in the same manner, year after year. We think by doing the same thing over and over again, you will continue to get the same results. There is never a better time for change than now. It's time to get down in the trenches and do the best that we can to help our Youth Organizations grow and prosper. We desperately need to support Masonic Youth Organizations, provide our young men and women with organizational skills, leadership experience, and most importantly, a moral foundation that is so essential for their success as adults.

The adult leadership of DeMolay, Rainbow Girls, and Job's Daughters for the state are on board and anxious to receive help and support from the Grand Lodge Masonic Youth Activities Committee in what I believe will be a big change.

### **DISTRICT COMMITTEEMEN:**

Each District Committeeman will be responsible for visiting each Masonic Youth Organization at least twice during his term. A report (see attached form) will be sent to the Zone Chairman and District Deputy Grand Master within five days of the end of the month the visit(s) was made. At a minimum we need to find out what we can do for each group. For example, if they need additional leaders, we need to help them find those leaders. If they have a need for members, we need to help them with programs to enlist new members. If they are short of help and/or funds, we need to contact the Lodges and ask for their support.

When the DDGM makes his official visit to each Lodge, the District Committeeman should make a presentation encouraging the Lodge to have at least one Youth Night where they give recognition to each group (DeMolay, Rainbow Girls, Job's Daughters, Boy Scouts, Girl Scouts, ROTC, etc.) for their achievements. Additionally, it should be stressed that our Youth Groups teach good morals and that we need to work hard to let more young people get involved, so the moral fiber of our country can be strengthened. (I've often heard it said that DeMolay is where the future of Masonry lies. Maybe some will become Masons, but the most important thing is moral fiber of our country!) If the growth that we expect in DeMolay comes to fruition, we need many more Lodges to sponsor DeMolay Chapters; it will be the responsibility of the Committeemen to find those Lodges that are willing and able to sponsor a Chapter.

### **ZONE CHAIRMEN:**

Each Zone Committeeman will be responsible for visiting each Masonic Youth Organization at least twice during his term. The Zone Chairmen will be responsible for reviewing each District Report and passing it on to the State Chairman within ten days of each month. He will work with the District Committeemen to accomplish whatever it takes to help fulfill the legitimate needs of our Youth Groups. He will also work with the DDGM to help our Youth Groups with their needs. When forwarding the District Reports, the Zone Chairman will report on his contact(s) with the DDGM and the result thereof.

### **GENERAL INFORMATION:**

**1. MASONIC YOUTH ASSOCIATION, INC.:** As you are no doubt aware, the Masonic Youth Association, Inc., is a 501(c)(3) Corporation. Incorporated under the Laws of the State of Florida as a Charitable Corporation, all contributions are tax deductible. Since its inception, this association has helped to support state associations of our Masonic Youth. All Lodges, Appendant Bodies, clubs and groups, as well as each of us individually, are encouraged to contribute and support this worthwhile organization in every way we can.

**2. BOY SCOUT, EAGLE SCOUT, GIRL SCOUT, AND SILVER AWARDS, AND ROTC:** A Grand Lodge Certificate may be presented to the recipients of these honors. When possible, these certificates should be presented in the Particular Lodge during a Special Communication or it would also be appropriate to suspend Labor during a Called or Stated Communication for this program and ceremony. It is also suggested that you find out from your local Scout Masters when they have their "Court of Honor" and attend the

ceremony for the purpose of presenting the awards. Certificates should be presented by the District Deputy Grand Master or Zone or District Chairmen of the Masonic Youth Activities Committee. Certificates are available from the State Chairman.

**3. YOUTH RECOGNITION AWARD:** Each Particular Lodge should plan a night with the Youth Group: Rainbow Girls, Job's Daughters, DeMolay, Boy Scout, Girl Scout, ROTC, Little League, etc. Ask them to present to the Lodge a program of their own and then present them with a Grand Lodge Certificate of Recognition. A Particular Lodge may want to present that Youth Group with a donation which would be appropriate and most certainly appreciated. A Grand Lodge Certificate of Appreciation is also awarded to that Particular Lodge having the program. Number one above could be combined with this part of the program.

**4. YOUTH ACTIVITIES SCHOLARSHIP AWARD:** A scholarship in the amount of \$500.00 will be awarded to a member of each Masonic Youth Group. The recipient will be chosen by their State Leaders according to their guidelines. These scholarships will be presented at our Annual Communication in 2016.

**5. GRAND MASTER'S AWARD:** A certificate and pin will be presented to the outstanding member in each DeMolay Chapter, Rainbow Assembly, and Job's Daughters Bethel for the 2015 year. This presentation should be made by the District Deputy Grand Masters or the State, Zone, or District Chairmen of the Masonic Youth Activities Committee whenever possible. We strongly urge that these presentations be made during an Open Meeting, such as an Installation of Officers. The order form is included in this packet.

**6. ADULT LEADERS RECGNITION:** The Adult Leaders of our Youth Groups do not belong to and work with these organizations for any fame or glory, but do it because they want to make a difference and enjoy working with our young people. Our Youth Groups have their own ways to recognize and reward our Adult Leaders and all are deeply appreciated. As a Mason, we should recognize them and present them with Certificates of Appreciation for their individual efforts. This should be done in their Particular Lodge or Chapter by the appropriate representative.

**7. MASONIC LODGES OR BROTHERS RECOGNITION:** Lodges and Brothers should be encouraged to take an active part in the sponsorship and support of our Youth Organizations. Many individual Lodges or Brothers go above and beyond in their efforts to support our Youth without being on an Advisory Board or connected in some manner with the Youth Organizations. It should be encouraged by the District and Zone Chairmen to recognize those individual Lodges and Brothers that make a difference in the youth of today by their support and contributions to the Fraternities. A Certificate of Appreciation can be presented to worthy Brothers and Lodges as desired.

**CONCLUSION:**

My Brothers, the youth of today will be the future of our country. The more we help mold the good morals for America's youth, the better off is our country's future. Our Masonic Youth Organizations are our best tool to have an impact on that future. Your work to help DeMolay, Rainbow Girls, and Job's Daughters grow and prosper is extremely important.

Fraternally,

W.: Wilbur D. "Gus" Green, State Chairman  
Masonic Youth Activities Committee

## MEMBERSHIP DEVELOPMENT COMMITTEE PROGRAM 2015-2016

To: Elected Grand Lodge Officers  
District Deputy Grand Masters  
Zone Chairmen and District Committeemen  
Worshipful Masters of Particular Lodges

Brethren:

I would like to thank you all in advance for the time and effort you will dedicate to strengthening our Fraternity. There is no single solution to the membership issues facing our Fraternity, but by working together and with the support of the Zone Chairmen and District Committeemen we can lay the groundwork for a better tomorrow. Remember we are building a Fraternity that our childrens' children will enjoy.

Any program used to develop membership must begin with one simple statement; we are not talking about numbers. We are talking about **BROTHER MASONS**. The new member joining is not brought in to create revenue to pay the electric bill, he is a man found worthy to be called Brother. The Brother being suspended for non-payment of dues is not a loss in revenue; he is a loss in years of Masonic knowledge.

Too much emphasis has been placed on the financial aspect of Masonry and the fraternal side has been ignored. We must strengthen what makes us different from all other associations of men and return to the tenets of Brotherly Love, Relief, and Truth. These tenets have shaped human history and by returning to them, our Fraternity will once again prosper.

The following is an outline for a three part approach to membership development:

### **The Three Membership Goals: Awareness, Participation, and Retention.**

#### **Awareness:**

- Have an honest discussion about membership.
- Be active participants in your community. Attend local functions as a Lodge.
- Support local charities, both financially but more importantly, with manpower.
- Remember you are a walking billboard for Masonry. Purchase a Masonic license plate; not only does this support our Masonic Home, it lets people know you are proud to be a Mason.
- Make sure your Lodge projects the proper image to the community. Is it up to date, clean, and inviting?
- Hold quarterly prospective member nights. Hold a "Bring Your Son to Lodge" night. How many times have you heard, I would have joined earlier but my father never said anything. Any prospective member night should be a well planned event and not just something thrown together. A program is being developed and will be presented by your District Committeeman.
- Look to organizations that already attract men who understand the value of Fraternity and Brotherhood, such as Law Enforcement, Military, and Boy Scouts. Present programs geared to each of these.

#### **Participation:**

- Have an honest discussion about membership.
- **CALL YOUR MEMBERSHIP**, the increase in participation following a personal phone call is undeniable.
- Keep your new members involved until they become Master Masons.

- Have organized meetings; keep them short but not rushed. Give people a reason to come.
- Hold a Sojourners Night. Invite visiting Masons, and members who have not attended for some time. Go over the opening, closing, and signs. Do this in a friendly and instructive manner. Many Brothers do not attend because they have forgotten and do not want to be embarrassed.
- Serve good food, the way to a Masons heart is through his stomach.
- Appreciate your members; too often we overlook those who toil quietly for our Lodges.
- Improve your ritual work; this is the life blood of our Fraternity.

**Retention:**

- Have an honest discussion about membership.
- Follow the Mentor’s Program. We lose almost 20% of our new members between the Entered Apprentice and Master Mason Degree. Following the Mentor’s Program can greatly reduce that number.
- Utilize your Trestleboard to stay in contact; for some Brothers this will be their only contact with the Lodge. The money “saved” by not mailing Trestleboard may actually be costing you members.
- Hold a 10, 25, and 50 year reunion night at the Lodge.
- Nominate a Mason of the Year, or award the Hiram Award.
- Hold a re-obligation ceremony; we all need to be reminded from time to time why we became Masons.
- Remember we are all Brothers.

This is an outline of suggestions; more information can be found in the Masonic Leadership Training Manual, the Worshipful Master’s Handbook, and other Grand Lodge publications. Thank you to all the Brothers who have shared their ideas with me and made this program possible.

The Grand Master’s message this year is “Remembering the Past – Embracing the Future” This is the perfect guideline for membership development. We have always been the world’s greatest Fraternity. We count among our members some of history’s most notable figures; men like Washington, Franklin, Churchill, and Truman. Men who have set foot on the moon, explored the poles and stood atop the highest mountains. These men were not great because they were Masons; they were Masons because they were men of vision, integrity, and honor. So is every other man who has taken our sacred obligations. Remembering who we are is what will lead us into the future.

## PERPETUAL MEMBERSHIP COMMITTEE PROGRAM 2015-2016

To: Elected Grand Lodge Officers  
District Deputy Grand Masters  
Zone Chairmen and District Committeemen  
Worshipful Masters of the Particular Lodges

Brethren:

The purpose of the Perpetual Membership Endowment Fund is to endow our Particular Lodges. Perpetual Membership provides a Brother with the opportunity to remain an active supporter of his Lodge long after he has gone to the Celestial Lodge above. It also provides a steady income stream of monies that will help to keep his Lodge on solid financial ground. Hopefully, this is the desire and a priority for all Florida Masons.

It is the intent of this Committee to increase all Perpetual Memberships and existing Perpetual Membership Accounts to bring them in line with current Lodge dues. In order to achieve this goal we need to ask for help from all of our Brothers throughout the state. I look forward to working, together with the Zone Chairmen and District Committeemen, in assisting you in any way possible to achieve this goal. Here are a few ways to increase Perpetual Membership:

1. Encourage your Particular Lodges to purchase Memorial Perpetual Memberships to honor the Deceased Past Masters whose pictures line the walls of their Lodge. They can also honor any Brother Mason with an Honorary Perpetual Membership or any non-Mason with a Friend Perpetual Membership.
2. Encourage all the Lodges in this Grand Jurisdiction to actively participate in the Perpetual Membership Program by providing them with examples that illustrate the financial advantages of membership to their Particular Lodge.
3. A Brother can get assistance, from Attorneys who are Masons, with writing his Last Will & Testament and at that time designate the purchase of a Memorial Perpetual Membership for himself or anyone else he wishes to honor.
4. Encourage the Particular Lodges to be “proactive” and to “think out of the box” in finding creative ways to financially assist the Brothers who desire to become Perpetual Members. A few examples are:
  - a. A Particular Lodge could use an approved aluminum can collection type drive to raise money to honor and pay for the Deceased Past Masters Memorial Perpetual Memberships.
  - b. A Particular Lodge could establish a Perpetual Membership Assistance Fund to offer the current and future Worshipful Masters a fixed dollar amount, during their year in the East, as an incentive towards becoming a Perpetual Member. This fund could be fueled by donations and/or other types of legal/approved Masonic fundraising activities.
  - c. A Perpetual Membership should also be encouraged, as a gift, to a Masonic Son or Grandson.
  - d. A portion of any “wind fall” type monies received by a Particular Lodge could be allocated to a Lodge Perpetual Membership Assistance Fund to be used for the purpose of increasing Perpetual Membership.
  - e. Encourage Perpetual Members who continue to donate yearly dues to their respective Lodges, to instead donate that amount to their existing Perpetual Membership Account. This increase to their account will also increase the payout back to the Particular Lodge.
  - f. Encourage existing Perpetual Members to purchase a Gold or Platinum Perpetual Membership and/or to keep their Perpetual Membership at a level 5 times their current membership dues. This will ensure the payback to the Lodge is sufficient to cover the current membership dues for each Perpetual Member.

- g. Encourage members of the Particular Lodges to purchase a “Friend” Perpetual Membership for their wives, in order to honor them for the unconditional support they have given their husbands while they attended the numerous Masonic activities they’ve been required to attend during their time as a Mason. This could be promoted as a **“Love your Wife, Love your Lodge”** campaign that would add additional monies to the Particular Lodge’s Perpetual Membership Fund.
5. I earnestly request the District Deputy Grand Masters of each District to appoint a current Perpetual Member to be his District Committeeman. This will impress the Craft that this Brother not only “talks-the-talk, but “walks-the-walk,” serving as a positive representative for this Program.

To all Zone Chairmen and District Committeemen, I look forward to the opportunity of working with you towards having a successful year at increasing the roles and funds of the Perpetual Membership Endowment Fund Program.

To all the Brethren, I implore you to follow our Most Worshipful Grand Master’s lead in, **“Remembering the Past – Embracing the Future”** for the 2015/2016 Masonic Grand Lodge Year.

## **PUBLIC EDUCATION AND CITIZENSHIP COMMITTEE PROGRAM 2015-2016**

*You will ever remember that all the end of study is to make you a good man and a useful citizen.  
John Adams*

*Education is not preparation for life; education is life itself. John Dewey*

### **Public Education**

Public education in our state is dedicated to the preparation of the next generation of citizens and leaders. There are 12 aspects to any successful educational program:

- a. To ask questions and to be creative in the utilization of the answers received;
- b. To be able to read, write, and speak with some level of distinction;
- c. To be able to understand and utilize numerical data;
- d. To understand history and its consequences;
- e. To understand the scientific method and its application in our world;
- f. To make ethical choices and assume responsibility for those choices;
- g. To hear and see more through the artistic experience;
- h. To understand the world beyond our own senses and borders;
- i. To develop sequential learning and the imagination that generates great discoveries;
- j. To develop a grasp of technological developments and their applications;
- k. To be able to see the world and to understand what we see without bias or prejudice;
- l. To understand that changes come through innovation and through new ways of seeing.

To accomplish those goals in the public arena, “the Grand Master may appoint a Committee on Public Education and Citizenship. This Committee shall make such studies, prepare such material and conduct such programs of instruction and dissemination of information in regard to public education and citizenship as shall be authorized and directed by the Grand Master.” (R. 13.20)

Earlier in our history, when illiteracy was the norm and the people mostly agrarian laborers, there were no public institutions dedicated to improving the lot of the people and providing a solid future for coming generations. Freemasonry led the way during those ages in developing a competent working class capable of independent thought and action. Masons of previous generations established schools—Bro. Benjamin Franklin and the University of Pennsylvania come readily to mind—or otherwise worked to enhance educational opportunities.

However, we elect to assist those engaged in this process, we, as Masons, can still make a significant impact on future generations by supporting public education and championing the cause of our public school systems at this time in our history.

### **Citizenship**

The basic principles of American Citizenship are simple:

- a. Life, liberty, and the pursuit of happiness; privileges that people are born with and that cannot be taken away;
- b. Equality under the law whereby all people are treated equally without regard to any external factor.

To further these principles it is essential that our people, especially our students, undertake the study of the following:

1. The basic principles of American citizenship to include life, liberty, and the pursuit of happiness;
2. Equality under the law;
3. Recognize that citizens have worked and still work to defend American principles;
4. Understand that being an American is defined by the shared basic principles of the republican form of government;
5. Know what the term “Republican form of government” means and how we are constitutional republic with a representative democracy;
6. Understand that the American people come from different ethnic origins and different countries, but are united as Americans by our basic principles.

### **The Link**

The link between education and citizenship is clear. It is through our system of public education that our new citizens develop their ideas about our republic, our way of life, our concept of plain dealing, and truth, and above all, our ability to imagine and then realize our plans.

To enhance the relationship between public education and citizenship your Grand Lodge has created this program and, through the Public Education and Citizenship Committee, we will realize our goal: an educated, literate citizenry prepared to participate fully in American life.

The program detailed below has five parts: Scholarships, Adopt-A-School/Teacher, Good Citizenship, I Love America, and JROTC. All Lodges in the State of Florida are encouraged to participate in one or more of these activities. Complete details are provided in the program and additional information may be obtained from the State Chairman for Public Education and Citizenship.

Each Lodge that engages in one or more of these activities **is strongly encouraged to utilize the media to publicize their activities.** Florida Masonry must make the public fully aware of our contributions to our educational system and to the development and maintenance of Good Citizenship.

### **The Program**

1. The **Public Education and Citizenship Scholarship Program** will continue. Local Lodges are encouraged to establish or renew connections with high school advisors and teachers to keep them informed of the scholarship program. When a scholarship is awarded, we strongly encourage the Lodge to send a representative to the school’s awards night to make the presentation on behalf of The Grand Lodge of Florida. The impact of personal contact with teachers, administrators, students, the students’ parents, and the public cannot be overemphasized.
2. Public education has, in Florida and most other states, seen a steady erosion of financial support for its programs while experiencing new, complicated requirements for student achievement and accountability. To offset this reduction in funding, the **Adopt-A-School/Teacher Program** is in place and will continue.
3. **The Good Citizenship Program** for middle school students dovetails with Florida’s public education requirement that 7<sup>th</sup> grade social studies classes include the “Bill of Rights” in the curriculum.

4. **The I Love America Program** for public schools involves the presentation of a U.S. Flag that has flown over our nation's capital as well as patriotic speaker and an award to the author of the best essay.
5. **Outstanding JROTC Cadet.** Lodges who participate in this program will establish contact with all JROTC senior military instructors and NCOs at the high schools in their jurisdiction. The military instructors will be asked to select an "Outstanding" cadet. The Lodge will present the selected cadet with an appropriate certificate recognizing his/her accomplishments and, if desired, a \$100 award. The certificate and award should be presented during the JROTC unit's Annual Award Ceremony.

**\*\*\*In the past it has been recommended that Lodges award U.S. Savings bonds to certain individuals as part of these activities. Considering recent changes in the manner by which savings bonds are purchased and presented, we now recommend that if a Lodge desires to make a monetary award, it be in the form of a check. Lodges participating in the Public Education and Good Citizenship Program should include these items in their annual budget.**

As we make these presentations; as we support our local schools and teachers; as we recognize students for their accomplishments; and as we work to instill in the next generation the ideals of good citizenship, we serve the Craft. **These events present us with an exceptional opportunity to further public knowledge through the media of our Fraternity, its foundation, its goals, and the reasons that it has existed since time immemorial.**

The program outlined above is in the hands of the local Lodge and Brethren. Your Grand Lodge can provide assistance and materials, but only you can provide the motivation and implement the plans. Only you can make contact with local teachers, present scholarships to deserving students, and further the cause of Freemasonry in your community.

## **Public Education and Citizenship Program Suggested Activities**

- District Committeemen should encourage Lodges in their District to qualify for the Public Education and Citizenship Award. This encouragement may be given during the DDGM visits. The award should be presented by the Zone or District Chairman at a Stated Communication.
- District Committeemen may conduct two (2) Public Education and Citizenship Workshops in each District or Zone during the year. The Zone Chairman will be responsible for organizing, scheduling, and conducting these workshops assisted by the District Chairman. Agendas and information for such programs will be provided to all Zone Chairmen.
- An updated list of special speakers will be made available to each District Chairman to assist his Lodges in planning and carrying out Public Education and Citizenship focused programs and events.
- A list of Masonic Groups that perform Masonic Plays which can be presented in an Open Meeting will be available to individual Lodges. A list of films or videos which can be used in public presentations will also be made available.
- Local Lodges may hold special meetings to honor community leaders, educators, police, fire fighters, emergency responders (EMT), Boy Scouts, and Girl Scouts. Certificates of Appreciation, Eagle Scout, and Gold and Silver Girl Scout awards are available through Grand Lodge.
- Local Lodges may establish a strong connection with the senior military instructor at your high school's Junior Reserve Officers' Training Course (JROTC). Sometimes, when it proves difficult to gain admission to a school, working through the senior military instructor can solve the problem. As part of this connection, the Lodge may recognize an outstanding JROTC cadet each year by presenting them a certificate and a \$100.00 check at the request of the local Lodge. The Lodge funds the monetary award.
- Local Lodges may have Masonic Youth Groups bring a program to one of your Stated Communications. It is preferable to do this during an Open Meeting where non-masonic guests are welcome. DeMolay, Rainbow Girls, and Job's Daughters have impressive programs.
- Local Lodges may, as part of Masonic Education, consider including issues of community interest such as crime prevention, health care, and the responsibilities of citizenship. Almost all public agencies—Sheriff's Offices, Fire Departments, Social Services, Senior Centers, Health Departments, and so forth, have individuals ready and prepared to make these presentations upon invitation.

Masonry has a long tradition of contributing directly to the public welfare. To this end, we can promote Citizenship through the Local Lodge by:

- Volunteering time to participate in community projects such as removing graffiti, clean up and beautification projects, neighborhood watch programs, and assisting with senior citizen groups or youth activities.
- Attending and/or participating in various public activities such as Memorial Day, Veterans' Day, President's Day, Flag Day, Independence Day (July 4<sup>th</sup>), Constitution Day, and other such observances. Many of our Brothers are veterans and the presence of a Lodge at a "Massing of the Colors" can be impressive.
- Conducting an Open Meeting during Americanism month and feature The Traitor Play or a special speaker.
- Consider offering the Lodge building for community activities such as voting, blood drives, and other related activities. Those in your community who supervise these activities will be able to determine if your Lodge meets their requirements.

**When you participate in a Public Education and/or Citizenship activity, it is worth the effort to submit a brief newspaper article and accompanying photograph to your local media. Let the public know what we, as Masons, are doing in our community.**

The Public Relations and Publicity Committee should be able to assist with publicizing information about Lodge events if provided the opportunity and given sufficient notification.

**PUBLIC EDUCATION AND CITIZENSHIP  
SCHOLARSHIP PROGRAM  
TEN (10) \$1,000 SCHOLARSHIPS**

Each Lodge in the State of Florida is strongly encouraged to establish a strong connection with local public schools and inform them of the **Public Education and Citizenship Scholarship Program**. This may be done by establishing contact with the local superintendent and, through that office, the principals of the high schools in the Lodge's community. Individual Lodges may also establish contact directly with high school principals in their community and, through them, school guidance counselors. The guidance counselor is the individual who coordinates information about scholarship opportunities. Lodges are further encouraged to **submit brief news items to local media about this scholarship program**. A sample of a recently published article is available from the State Chairman.

THE PROCESS

(Sample cover letter to be sent to superintendents, principals, guidance counselors and applicants after initial contact.)

Dear (appropriate title):

On behalf of the Public Education and Citizenship Committee and our Grand Lodge Officers, I would like to thank you for your interest and participation in our Statewide Essay Program. Attached you will find the Essay Program Rules and Guidelines as well as the Scholarship Application for the year 2015-2016.

This year there will again be ten (10) \$1,000 scholarships awarded to students throughout the State of Florida who participate in this program. All details and instructions necessary to your participation are to be found in the Rules and Guidelines (attached).

Freemasonry is committed and dedicated to the principle of Public Education for everyone. Since at least the Middle Ages the Fraternity has maintained as a core value and goal education as a means of establishing true equality among men.

The Masonic Fraternity is a broad based, worldwide group of extremely dedicated men, who contribute over two million dollars (\$2,000,000) DAILY to charities. These include, but are by no means limited to, Shrine Hospitals, Aphasia clinics, nursing homes and orphanages, and clinics for the hearing and visually impaired, as well as research on heart disease.

The formal records of our Society date back to the early 18<sup>th</sup> Century. Today there are more than four million (4,000,000) Brothers worldwide. Masons were, originally, stonemasons and craftsmen who built the beautiful, monumental cathedrals that mark the European continent. They were freemasons because, unlike the serf, or even the common laborer, they were not bound to the land or a specific lord, and were thus free to travel to where their skills were needed most.

Masonic history is replete with notable leaders in all fields. George Washington, Andrew Jackson, Franklin D. Roosevelt, Harry S. Truman, and Gerald Ford were members. Albert Einstein, Rudyard Kipling, John Wayne, and Ernest Borgnine were also Brothers. There are currently more than 40,000 Masons in Florida who come from all walks of life.

We are not a religious organization, but we do require a belief in a Supreme Being or Deity. We strongly believe in and support individual, political, and religious freedom, as well as the right of any human to seek education and live a fulfilling existence.

We offer this Scholarship Program as part of our well-grounded, ancient, and continued commitment to Public Education.

On behalf of all Florida Masons, I sincerely appreciate your participation in this scholarship program and wish you success in all your future endeavors.

## **ADOPT-A-TEACHER/ADOPT-A-SCHOOL**

This part of the Public Education and Citizenship program encourages each Lodge to **Adopt-A-Teacher or Adopt-A-School** for one academic year. Bonus points will be awarded for participating. There are more schools than Lodges, so Lodges are encouraged to rotate this program among the various schools in their District. The program is most effective at the elementary school level.

Once the Lodge selects a teacher at a particular school or a particular school, the Lodge should meet with the school's principal (for either aspect of the program) and explain the Adopt-A-Teacher and Adopt-A-School program. The Brothers who attend this meeting should be prepared to answer questions about Freemasonry as well as the Public Education and Citizenship Program.

A **Certificate of Adoption** with the appropriate seals and signatures of the Grand Lodge noting that the said Lodge has adopted a particular school or teacher for the purpose of volunteering their help, aid, and assistance in the education process will be presented to the school by the Lodge. This certificate should be presented at a school function or in an Open Lodge Meeting. It should be appropriately framed for display in the school's office.

Lodge involvement in the **Adopt-A-Teacher/Adopt-A-School** program may include but is not limited to:

- Partnership programs
- Volunteer time as a chaperon for field trips (may require a background check)
- Assist with sporting events (ticket taker, score keeper, etc.)
- Donate and plant trees and/or shrubs on school property and/or assist with maintenance
- Sponsor student participation in The Special Olympics or other such activities
- Provide a list of Lodge members who will participate in Career Days, speak on patriotic topics, or present a program
- Be a reader for elementary students (may require a background check)
- Be a tutor or mentor for a student (may require a background check)

For the **Adopt-A-Teacher/Adopt-A-School** program, there are several ways to identify and select the school or teacher to adopt. A Brother may nominate a teacher or a school; nominations may be solicited from principals or other school administrators as well as from teachers; or a careful perusal of local media stories about education may suggest an adoptee.

A **Grand Lodge Certificate of Appreciation** will be presented to each Lodge that participates in this program.

When any Lodge participates in the **Adopt-A-Teacher/Adopt-A-School Program**, that Lodge should utilize local media outlets to properly publicize this community activity.

Today's students are tomorrow's leaders. It is our responsibility as Freemasons to assist with their intellectual and moral development. The **Adopt-A-Teacher/Adopt-A-School** Program serves to reduce the "mysterious" aspect of Masonry. As students, teachers, and administrators see that our members are their neighbors and colleagues, the reputation of Freemasonry will only be enhanced.

### **Good Citizenship Program for 7<sup>th</sup> Grade**

(This program comes to us from Br. Allan Kruger, one of our Zone Chairmen.)

The state agency responsible for public education requires that 7<sup>th</sup> grade Social Studies classes include a study of The Bill of Rights as part of the standard curriculum. Reports from throughout the State of Florida indicate that the approved textbooks barely cover the subject and do not provide our students with a full understanding of and appreciation for this most important document.

A Lodge may elect to participate in this program by establishing contact with principals and teachers at schools that include the 7<sup>th</sup> grade. When contact is established and the program explained, the Lodge provides to the school a copy of a poster that covers The Bill of Rights. A copy of this poster may be found at the end of the Public Education and Citizenship Program. The Lodges may copy the poster or that may be done by the school. It should be printed front-to-back and given to each student in the 7<sup>th</sup> grade Social Studies class. During the classroom discussion of this important document, the students could take notes on their copy of the poster and the teacher is able to use it as a graphic instructional tool. The students keep the poster with their notes for future reference.

Lodges may elect to partner this program with the **Adopt-A-Teacher/Adopt-A-School** Program and offer the services of a Brother who is well versed on The Bill of Rights as a guest speaker to explain one of the most important documents in United States history.

### **I LOVE AMERICA PROGRAM**

(This program comes to us courtesy of Lantana Lodge No. 372)

- In February obtain a U.S. Flag that has flown over the U.S. Capital. This can be done through your local U.S. Senator's Office.
- In February establish contact with school officials at the system or school level and explain the **I LOVE AMERICA PROGRAM** and the impact it can have.
- In February explain the essay part of the program and encourage teachers and principals to distribute information about the program to all students in the Fall.
- In June determine the Guest Speaker for the event.
- In September meet with local school officials and set a date and time for the program during the month of October. Contact may be made with a senior Military Instructor since his/her program tends to focus on this theme and these individuals have more flexibility in allowing guests to attend their classes and make presentations.
- In September publish information about the **I Love America** essay. **Each Lodge may establish its own rules and deadlines for submission of the essays. These rules MUST be published so that all students in the school selected are able to participate.**

**NOTE: Should the Lodge elect to focus this program on one specific grade, it is best to include all sections of that grade in that school. It is strongly recommended that essays be submitted at least two (2) weeks prior to the presentation and that at least three (3) Brothers serve on the committee to select the winner.**

- In September confirm the speaker, date, time, and location of the event.
- In September work with Brothers in the Lodge to organize the event.
- In October hold the program.
- Recommended program format:
  1. Opening and Pledge of Allegiance;
  2. Comments from school representatives/teacher;
  3. Master of Ceremonies introduces member of the sponsoring Lodge and the Guest Speaker. He also thanks the for school for participating in the project;
  4. Master of Ceremonies presents the U.S. Flag and announces the winner of the essay part of the program. Lodges may present a check for \$100 to the winner.  
(In previous years it was recommended that a U.S. Savings Bond be presented. The process used to obtain such a bond has changed drastically so it is recommended that the Lodge consider presenting a check instead.)
- Lodges should present an appropriate memento or certificate to the essay winner and to the school, in addition to the U.S. Flag.

**Essay Evaluation:** Individual Lodges may establish their own criteria for judging essays. It is recommended that the essays be no less than 500 words or more than 750 words in length. The essays should be judged by at least three Brothers. Essays should focus on the topic **“Why I Love America.”**

## The Bill of Rights

On September 25, 1789, Congress transmitted to the state legislatures twelve proposed amendments, two of which, having to do with Congressional representation and Congressional pay, were not adopted. The first ten Amendments (Bill of Rights) were ratified effective December 15, 1791.

“The concept that the Bill of Rights and other constitutional protections against arbitrary government are inoperative when they become inconvenient or when expediency dictates otherwise is a very dangerous doctrine and if allowed to flourish would destroy the benefit of a written Constitution and undermine the basis of our government.” U.S. Supreme Court Justice Hugh Black, 2008

*Preamble – The conventions of a number of the States, having at the time of their adopting the Constitution, expressed a desire, in order to prevent misconstruction or abuse of powers, that further declaratory and restrictive clauses should be added: And as extending the ground of public confidence in the Government, will best ensure the beneficent ends of its institution.*

**Amendment I.** Congress shall make no laws respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or of the right of the people peaceably to assemble, and to petition the Government for the redress of grievances.

**Amendment II.** A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

**Amendment III.** No Soldier shall, in time of peace be quartered in any

house, without the consent of the Owner, nor in time of war, but in a manner to be prescribed by law.

**Amendment IV.** The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

**Amendment V.** No person shall be held to answer for a capital, or otherwise infamous crime, unless on a

presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service in time of War or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

**Amendment VI.** In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and causer of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the assistance of counsel for his defense.

**Amendment VII.** In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of common law.

**Amendment VIII.** Excessive bail shall not be required, nor excessive

fines imposed, nor cruel and unusual punishments inflicted.

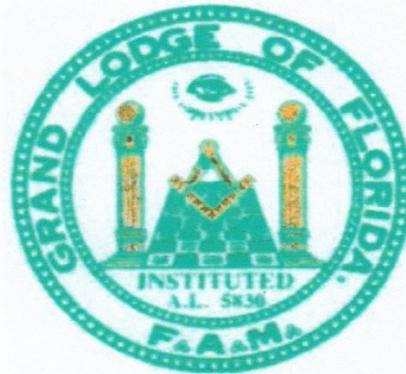

**Amendment IX.** The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.

# Public Relations & Publicity Committee Program 2015-2016

**“A Favorable Reputation Is Our Most Valuable Asset”**

## *A Favorable Reputation Is Our Most Valuable Asset*

A favorable reputation does not evolve because we serve a noble cause or because we are an established organization. It does not just appear because we are wealthy in material assets, influential in community or are the world's oldest and largest fraternity. A favorable reputation can be created by successfully communicating to others our virtues of Brotherly Love, Relief and Truth. The plan, the projects and the process in achieving this goal are what make a public relations program! Our public relations program can affect our Fraternity's personality and public image. It is an individual and collective responsibility – everything we do, say or promote, or that happens to us affects our public image as well as our internal and external relations.

### How The PR Industry Of Yesteryear Compares With Today

In just a decade, aspects of the public relations field have become unrecognizable. At the turn of the century, PR practitioners were faxing pitches and mailing press kits. Today they're tweeting pitches and emailing virtual press kits.

The Public Relations and Publicity Committee wishes to form a collaborative effort between Grand Lodge, Zones, Districts and Your Lodge by providing resources and ideas in communications. We will utilize Grand Lodge of Florida website as a contact information center as well as approved media releases.

Goals for 2014-2015:

1. Work with Grand Lodge on Developing Web Based Public Relations Distribution Network
2. Streamline Public Communication Tools and Stories for News & Social Media Release
3. Develop Media Press Kit for Grand Lodge
4. Maintain the THE FLORIDA MASON magazine.
5. Maintain the "E-News" (electronic) newsletter to supplement information as distributed by The Grand Lodge of Florida between issues of THE FLORIDA MASON.
6. Provide Zone and Districts a avenue for developing sustained PR Programs

We look forward to working with those committeemen who have volunteered this Masonic year to promote our time honored fraternity.

Fraternally,

*Otto Thiergart*

## *Forward*

---

Brethren,

The purpose of our program is an informative process of our fraternal organization. It is not intended to be a means of advertising for membership, however the exposure of purpose may stimulate in some men the idea of kinship they have been seeking.

Public relations activities advise the public of the nature of our organization, what we have done and what we are doing in making this a better world in which to live.

It should inform Community Service Organizations, Corporate Sponsors, Business / Professional Organizations and Educational Institutions of the nature of Freemasonry and what public activities we are involved in..

It is emphasized however that we do not engage in publicity stunts, bizarre activities to secure attention, or do anything which is undignified, contrary to Masonic law or custom or which would tend to bring discredit to the Craft.

Newspapers, radio stations, television stations and social media are always on the alert to report events that are taking place and the activities of persons and groups. When the program has been decided, a public relations officer or committee should be appointed by the Worshipful Master or other governing officers, depending on the nature of the effort.

The Masonic Public Relations officer and committee should be selected with care. The officer should be well qualified in the use of the English language; have a pleasant personality; know how to talk with people; have an adequate educational background; be a person of sound judgment; and have some knowledge of the communications field.

Initially the Masonic Public Relations officer should study and consider the objective of the Craft in the area being served. He must be completely informed as to the projects and programs planned with other community groups so that all efforts will be blended properly.

There is no substitute for personal contact. Keep in mind the standard business dress and grooming convey a professional message as to who you are and what you represent. Each editor, etc., should be contacted with the view of getting acquainted, telling him of our objectives, and listening carefully to his point of view and his requirements such as deadline dates, format, policy, etc.

## *What Make News*

---

Local Masons, Eastern Star, Rotary, Lions, Elks, Kiwanis, Knights of Columbus, etc. are having events and activities that can make the news. The limitations on space the news media can give to social, fraternal and religious news competes with everything else. Your “edge” is to know what the editors are looking for, and give it to them in the time and format which meets their requirements.

The target area to focus on is to publicize your lodge to the community at large. This is a potential list of events for your consideration :

- Election and Installation of Officers (include picture)
- Masonic Service Awards
- Masonic lodge Anniversaries
- Grand Master's Visitations
- Community Assistance and Involvement
- Recognition of Citizenship, Youth Group & Community Leadership
- Scholarship to a Deserving Youth
- Cornerstone Ceremonies
- Community Health & Safety Fairs

The following are some ideas that usually warrant space in many of the news media.

1. New or Unusual Approaches to publicize annual or routine items.
2. Human Interest Angles: Everyone appreciates stories about warmth, humor and unusual events of other people's lives...especially if it involves youth, the elderly, the community or deserving people.
3. Look for “news hooks” in your stories: This might be a single facet that makes your news story different from all the others. Examples: include any firsts; a program designed to accomplish a unique purpose; unusual participation or involvement of people; a new twist to your story theme; onetime only events never before done; something that affects the majority of the people.
4. A flair for the dramatic: The story, unto itself, might be less than exciting, but its history, background, environment, concept, application, or potential may make news.
5. Initiating or providing support to: elements of prime importance to your community... pollution control, youth activities, charities, crime prevention, health and educational activities, urban development, self-help or locally oriented programs for community betterment: all have news potential.

## *Material Preparation*

---

The Best Public Relations Campaign are the ones that don't look like a campaign at all, they are masqueraded as News Events and News Stories. Do not put the organization in the headline, you want the Spot Light to be on the benefit of the reader. When you start actual work, you will find that your material will fall into three general categories:

1) News releases of things to come 2) News reports of past events 3) Past or present reports relating to persons

Here are some general rules that should be observed in preparing the material.

1. The material should always be submitted in writing. There may be exceptions, of course. an e-mail article with or without a photo is common communication to specific departments in the media today.
2. When an article is written should be typed, doubled-spaced, on one side of the paper, and with wide margins. This makes easier reading and the margins will enable the editor to make additions and changes on the face of the document rather than having it retyped for the printer, The easier you make it for the editor and the less changes he must make, the more likely- he is going to accept and use the item. 8 ½ x 11" paper is customary.
3. All names must be spelled correctly. This is not only necessary for correct identification of the person, but it is bad public relations for the person who reads his misspelled name in a publication. If the editor gets too many complaints about the material, he will be inclined to throw all the material he receives from you in the waste paper basket.
4. All dates, addresses, and description of places should be correct. This is especially true in reporting coming events. There is nothing more frustrating than to hear of a coming event, make a note of it, and then make an effort to attend, to find that you have been given the wrong date or the wrong address.
5. The announcement of future events should be sent in time to the editor ample time to include it at the proper time. Bear in mind that editors prepare most material far in advance of the date of publication.
6. Reports of past events should be sent in as soon as possible irrespective of the deadline dates of the publication. Material that arrives after all space has been allocated sometimes never appears in print.
7. When a news release is sent to a large newspaper or organization it should be addressed to a specific person or department in order to receive prompt attention and to insure that it will not be lost by being transmitted from department to department.

8. Your release should clearly contain the name, address, and telephone number of the person who is sending the article, as well as the person the article is about.
9. Whenever possible, it is advisable to send pictures of persons or events. Photos make your article more attractive and more likely to be accepted. For example, if the article deals with a colonial play, a picture of one of the actors dressed in colonial attire will make it more likely that the story will be accepted and used. A picture is worth a thousand words.. Again e-mail may be the standard used to contact and convey your news release
10. Never apologize for sending your article. If this is necessary, it is best that the article not be presented at all. Remember it's the news media's decision to use it or not.
11. Keep a copy of all correspondence sent to anyone. Should a dispute arise later as to any mistake having been made, it will help determine who made the mistake.
12. Be cooperative at all times with those who are sent news. Never get angry if the story is not used; you never know the actual circumstances at the time the article was received. Bear in mind that you have a great deal of competition for the space. If after a few tries without success, it might be well to drop over for a friendly visit with the editor. You might diplomatically inquire about the material sent and ascertain if there was something wrong with it. Bear in mind that the editor wants material, he needs material, he needs help to, operate, and that you are not asking for any favor but merely to learn in what way you have failed to fit into his requirements.
13. In sending items to radio and television stations, being brief is of the essence. You may have to write and rewrite the item so that there is not one unnecessary, word in the statement. The shorter it is the better and the more likely it will be accepted and used.
14. Prepare your article in a form that it can be used "as is" or with very few corrections. Rarely will a story be accepted if it needs a major overhauling.
15. For example, if you send a news article advising the editor of a program with a speaker, be sure you cover at least: the name of the group sponsoring the meeting; the address of the organization or of its officers; the specific place where the meeting is to take place; the specific date and hour of the meeting; the name of the speaker; the identity of the speaker; the title or subject of his talk.

## CONCLUSION

We hope that this program will be helpful in getting you started. We don't expect that you are going to go right out and be a professional overnight. Over a period of time, if you try to adhere to the main principles here and learn through your own experience, you will succeed. Once you formulate a set procedure, the amount of time you put in on publicity projects will be greatly reduced. When your news release does not appear, don't be discouraged. Please try to consider the limitations and problems that can occur on the media end. Keep in mind that newspapers want to help, but the volume of possible news stories can be restrictive.

Maintain copies of your clippings in a special notebook so that at the end of your year, you can show your results. Plan ahead. Try to get news items appearing on a monthly basis. Tell your story. Express yourself proudly about your Lodge's accomplishments, and most important strive to enhance the image of the Masonic fraternity through your diligent work. Keep your Masonic Lodge informed of articles as they appear in the local news publications. Above all, remember you are the representative of your fraternity with obligation to such. Think before you act and have fun.

Respectfully submitted,

Otto Thiergart

State Chairman, Public Relations & Publicity Committee

## WILLS AND GIFTS COMMITTEE PROGRAM 2015-2016

My Brothers:

One of the most satisfying things that we can do as Masons is to leave a legacy for someone or something we care deeply about. Over the years many Brethren and friends have included a charitable provision in their wills or made a direct cash donation to our Masonic Home of Florida. The results of those gifts have allowed us to influence the lives of many of our fellow Brethren and Widows in their final years.

The Wills and Gifts Committee is charged with ensuring a sound financial future for our Masonic Home by educating both Masons and non-masons alike in the various estate planning vehicles available. There are several categories of gift giving available to anyone who wishes to make a donation to our Masonic Home.

**Bequest Gifts:** For many of us a charitable bequest is the easiest and best way to make a gift to our Masonic Home. By means of your will or other estate plan, you can name the Masonic Home as the beneficiary of a portion of your estate or of particular assets in your estate. Giving by bequest costs nothing now, yet it may give you a great deal of satisfaction to know that your future gift will live on.

**Charitable Gift Annuities:** These gift annuities will provide you (and/or someone you designate) with income for the rest of your life, avoid capital gains tax, and leaves a lasting gift to our Masonic Home. A portion of this income stream may be tax-free and you will receive a charitable deduction for the value of your future gift to the Masonic Home. Our Grand Lodge has created a brochure entitled “The Charitable Gift Annuity Program” that will help educate potential donors about the advantages of utilizing this gifting strategy. We have also gathered a list of Brothers that are willing to speak to potential donors on an individual or group basis to provide further information regarding this program. You may contact me directly or a Zone Chairman in order to arrange for an educational workshop in your area.

**Outright Gifts:** These gifts include one-time or ongoing donations of cash or other assets that you wish to donate to the Masonic Home. Typically these gifts have favorable tax advantages associated with them which may be received right away.

**Donating Online:** You can make a donation today by visiting the Masonic Home of Florida’s website and click on the “Donate Now” icon. You may choose to contribute to several of our recognition programs on behalf of yourself, your Lodge, or a loved one. If you shop online through Amazon, you can sign up for their Amazon Smiles Program and designate one of the Florida Masonic Charities to receive 0.05% of your purchase.

In order to assist in making decisions regarding planned giving, Grand Lodge has developed a brochure entitled “A Guide to Wills & Trusts in Florida.” The District Committee Chairmen should obtain an ample supply to disseminate among their individual Lodges. The District Deputy Grand Master’s selection of an attorney or estate planning professional to present the program is encouraged. Also, Grand Lodge has a list of attorneys, within the Fraternity, who are willing to assist Masons and non-masons in making charitable bequests to the Masonic Home.

It is important to note that non-members of the Fraternity, once having become familiar with the benevolent nature of our Masonic Home, made a number of large bequests over the years. Thus, you may wish to discuss our Masonic Home and its accomplishments at Open Meetings, emphasizing that it is only the interest derived from the Endowment Fund which funds our Masonic Home’s Annual Budget. Perhaps of equal importance is the fact that our Masonic Home, unlike many charitable facilities, has no corporate sponsors, nor does it receive any Federal or State assistance.

In addition to the above, in an effort to provide for greater outreach for this program, it is my hope that information regarding wills and gifts will be made available to each District Deputy Grand Master for distribution to each District Committeeman. It is my intention to make distribution to each Zone Chairman as well. The more information that is out there, the greater the chances for positive response.

We would like to thank, in advance, those members of the Fraternity and non-members who have found it in their heart to ensure a sound financial future for our Masonic Fraternity by making charitable gifts and bequests in the course of their estate and tax planning.

Fraternally,
